

# **INTEGRATED FLEET SOLUTIONS DISCOUNTED FUEL CARD SERVICE FOR QRI MEMBERS AVAILABLE ONLINE FROM 1<sup>ST</sup> MARCH 2010.**

Integrated Fleet Solutions (IFS) is a company that specialises in providing an electronic fuel and vehicle charge card service to franchise owners, small business owners and members of professional associations. Previously this type of electronic fleet management service and fuel card facility was only available to large corporate organisations.

The recording, collating and reporting of fuel and other vehicle expenses can be a costly and time consuming activity for professionals and small business owners and operators. The Integrated Fleet Solutions fuel card service provides QRI Members with the electronic reporting tools necessary to minimise the time spent managing vehicles and tax related matters, whilst also generating a saving on fuel costs.

The QRI has been successful in negotiating with Integrated Fleet Solutions an attractive fuel and motor vehicle expense charge card offer and electronic reporting service that is designed to save QRI Members both money and time.

**Key features of the Integrated Fleet Solutions offer for QRI Members are as follows:**

**2 cents per litre discount off the pump price of Std Unleaded / E10 Unleaded and Diesel fuels.**

The Integrated Fleet Solutions fuel card provides QRI Members with a saving off the pump price of std unleaded / E10 unleaded and diesel fuel, guaranteeing Members a saving on these fuel purchases every time the card is used.

## **Access to 2400 outlets Australia wide**

Integrated Fleet Solutions offers their customers a choice of service stations to best suit their location requirements and includes BP, Shell and Shell Coles Express a total of up to 2400 outlets Australia wide. Apart from the convenience these outlets provide, this will ensure that QRI Members can shop around for the best fuel price and still achieve a 2c discount off the pump price of std unleaded / E10 and Diesel.

## **Discounted weekly card fee of \$0.99 cents (excluding GST) per card**

Integrated Fleet Solutions has reduced the weekly card fee for QRI Members from \$1.09 cents (excluding GST) to \$0.99 cents (excluding GST).

## **No transaction fees**

Regardless of the number of transactions during the month, the weekly card fee is the only administration fee QRI Members will pay for using the card. A \$3.00 card reissue fee applies for card modifications and or replacement cards if required.

## **No account set up fees**

Integrated Fleet Solutions has waived the usual \$15.00 once only account set up fee for QRI Members.

## **Free Annual Tax Report**

Integrated Fleet Solutions provides its customers with a monthly account that is suitable for GST reporting purposes. Integrated Fleet Solutions will also offer QRI fuel card holders a free Annual Tax Summary Report normally charged at \$20.00 per report. This provides consolidated tax reporting advantages – no more lost receipts!

## **Credit terms offered to approved account holders – 14 days after Statement**

Integrated Fleet Solutions offers a 14 Day account facility with payment by direct debit from a nominated bank account.

## **The option of vehicle or driver fuel cards**

Integrated Fleet Solutions provides the option of vehicle, driver or company fuel cards to ensure that QRI Members can adopt a system that best suits their requirements. All vehicles are identified separately and sub totalled on the Monthly Tax Invoice/ Statement.

## **Electronic Statements and Service**

As a member of QRI, you will receive your statement via email which eliminates delays associated with posting of statements. All IFS services will be available electronically via the QRI members login facility.

Account payments are also direct debited to the account of your choice each month.

In summary, the QRI Member Integrated Fleet Solutions offer provides QRI Members with a **significant discount off our standard service fees and fuel pricing**, with 2 cents per litre discount off the pump price of std unleaded / E10 and Diesel available at thousands of outlets nationally. In addition, it provides QRI Members with an easy electronic way to consolidate and reconcile vehicle expenses at tax time.

The Integrated Fleet Solutions discount fuel card is **only** available to financial members of QRI.
