

## 2010 Young Sports Achievers Award

A joint initiative of QRI and QR to provide recognition of dedication and achievement in all areas of sport.

Ten awards are presented each year as a bursary to help offset the costs of involvement in sport and recipients are presented with their award by the nearest QRI branch.

### Eligibility for an Award

- Child must be a school aged dependant (up to 18 years) of a current QR employee who is also a current financial QRI member
- Application must be received by post at the QRI State Office before the closing date
- Each application must be accompanied with at least one photo of the applicant in sporting regalia

### Ineligibility for an Award

- Grandchildren, nieces, nephews are ineligible for entry
- Recipients who have won in the past three (3) years are ineligible for entry

### How to fill out the form

Because it is most difficult to compare the very wide range of sports submitted, in order to assist the judging panel and possibly be of assistance to you in compiling the form, would you please consider the following:

- **Front page** – your personal details, please fill in all boxes.
- **Your chosen sport** - please choose **one sport only**. In previous years, other sports were requested and this tended to create confusion. If you want to bring to the attention of the judging the all-round capacity of the applicant, please include this in the "Supporting Information" on the last page.
- **When did you start playing** – this is the easiest, either a year or your age when you started playing the sport.
- **Highest level of achievement** – as shown in the example on the page but do not feel that we are only looking for Olympic, National or State levels. It is possible for a nominee to be a Club champion or representative, or Regional representative and receive an award.

- **Achievement/Awards** – If possible, detail the awards/achievements for the last 3 years or more. This provides information on the development of the applicant, which receives consideration.
- **Up-coming events** – Please advise of known commitments in the sport for the next 6 to 12 months.
- **Your goals** – In this section, please advise of the level you realistically aspire to in the chosen sport, for example;
  - “Next year I am aiming for state representation and in the next 3 to 4 years, national representation with a slight possibility of Olympic representation”
  - OR “Next year I am aiming for club selection and the following year regional selection and with a lot of hard work, State selection in 2 to 3 years”
- **Supporting Information** – As stated on the form, photos, letters, or as mentioned above, details of involvement in other sports.
